

## SUBJECT CHOICES FOR IGCSE 2023

### Non-academic route

*(Students with an average lower than 50% and no intension of further studies)*

#### **Compulsory:**

English Home Language  
Afrikaans First additional language  
Mathematics (core) or a Science (core)

#### **Choices: (2 subjects from)**

Mathematics (core) {if not included under compulsory}  
Sciences (core; either Co-Ordinated Science or Biology or Chemistry) {if not included under compulsory}  
Business Studies, English Literature, Food and Nutrition, Geography, Information and Communication Technology, Music, Religious Studies, Tourism

### Non-academic or Academic route

*(Students with an average between 50-60% with a possibility of further studies)*

#### **Compulsory:**

English Home Language  
Afrikaans First additional language  
Mathematics

#### **Choices: (3 subjects from)**

Co-Ordinated Science (extended) {regarded as 2 subjects} **or**  
Biology, Chemistry, Physics {any one, or any combination of two, or all three}  
Business Studies, English Literature, Food and Nutrition, Geography, Information and Communication Technology, Music, Religious Studies, Tourism

We recommend that students start all subjects on extended level and if they experience problems with a particular subject, that subject must be downgraded to core level when registering for the IGCSE exams.

### Academic route

*(Students with an average above 60% and with the intension to study further)*

#### **Compulsory:**

English Home Language  
Afrikaans First additional language  
Mathematics (extended)

**Choices: (3 subjects from)**

Co-Ordinated Science (extended) {regarded as 2 subjects} **or**

Biology, Chemistry, Physics {any one, or any combination of two, or all three}

Business Studies, English Literature, Food and Nutrition, Geography, Information and Communication Technology, Music, Religious Studies, Tourism

For tertiary education at the majority of South African universities the student should continue to complete at least four subjects at the AS level (one additional year after completion of the IGCSE).

For courses with a selection process a further year, completing A level subjects in the field of intended study, is advised.
